**“Super Seniors – A Proactive
Approach to the Aging Canine”**

Sunday June 6, 2010

9:00 AM – 4:00 PM

St. Hubert's Dog Training School is proud to host Kristine A. Conway, DVM & Petra Ford, PT, CCRT of Aqua Dog Rehabilitation, LLC for a one day workshop to help our aging canines. Kristine has been a veterinarian since 1989. Petra is a Certified Canine Rehabilitation Therapist.

Don't watch helplessly as your old friend loses mobility and function. Be proactive - give your aging canine a new lease on life! At this hands on seminar, you will learn:

- To identify the early physical signs of aging!
- To help your mature canine age gracefully!
- Easy techniques that you can use IMMEDIATELY to improve your best friend's flexibility, mobility, strength and function!

**Cost: \$125 per dog/owner team (limited number of working teams)
\$75 observer (observers will be paired with a dog/owner team for hands-on learning)**

No refunds after May 21st.

PLEASE NOTE: This IS a working seminar. Lunch is available. CEU's pending
