

## **Kitten Supplies (4-12 weeks)**

*We can usually supply:*

- Wet and dry kitten food (must be formulated for kittens)
- Disposable cardboard litter box
- Non-clumping litter (until spay/neuter surgery site is healed)
- Cat toys
- Carrier designed for transporting animals

*Recommended:*

- Kitten kibble
- If you have resident cats you'll want to have a separate litter box for your foster kittens.
- Large dog crate or spare room or spare bathroom
- Kitten Playpen
- Wand/lure toys
- Batting/chasing toys like mice or crinkle balls
- Catnip toys
- Scratchers made of different materials and different levels (horizontal and vertical)
- Large dog crate, spare room, or spare bathroom
- Cat bed
- Cat cave
- Cat tree
- Snuggle Safe heat disc
- Digital scale (food or postal) that weighs in grams
- Enzyme cleaner (for accidents)
